**Certification:** At the end of 2-day trainings, participants can attend **MTCRE (MikroTik Certified Routing Engineer) Certification Test**. The test will start around 5:00 P.M on the last day and will take not more than 1 Hour. A Certificate will be issued to those who successfully pass the test. (Pass grade for this training is 60%)

**Refreshments, Coffee and Lunch** is provided to all participants free of charge.

**Course Prerequisites:** Each participant will be provided with RouterBoard to work with during the class. You need to bring **your own laptop** equipped with Ethernet port and, if possible, a serial (COM1 or USB-to-COM) port for connecting to RouterBoard's console.

**Bonus:** Each participant will get **Free Level 4 License** for MikroTik RouterOS.
