Certification: At the end of 3-day trainings, participants can attend **MTCINE** (MikroTik Certified Internetworking Engineer) **Certification Test**. The test will start around 5:00 P.M on the last day and will take not more than 1 Hour. A Certificate will be issued to those who successfully pass the test. (Pass grade for this training is 60%)

Refreshments, Coffee and Lunch is provided to all participants free of charge.

Course Prerequisites: Each participant will be provided with RouterBoard to work with during the class. You need to bring **your own laptop** equipped with Ethernet port and, if possible, a serial (COM1 or USB-to-COM) port for connecting to RouterBoard's console.

Bonus: Each participant will get **Free Level 4 License** for MikroTik RouterOS.
